Our Mission

Wright-Locke Farm connects the community to local agriculture, historic preservation, and open green space while fostering the values of sustainable agriculture and land stewardship for both current and future generations.

Support Our Growth

Help support the Farm’s mission by making a donation today at: www.WLFarm.org

Donations may also be made by check and mailed to: Wright-Locke Farm PO Box 813, Winchester, MA 01890

Wright-Locke Farm Conservancy is a 501(c)(3) organization. All contributions are tax deductible.

Farm Education Programs

www.wlfarm.org/education
Youth Programs

Youth education programs offer children a unique, hands-on experience learning about agriculture and the natural world on a historic working farm. All of our programs include lessons and activities related to farming, the environment, and natural science while utilizing the fields, pastures, barns, and wooded trails as our living classroom. Daily activities include visiting or caring for our animals, cooking healthy and seasonal dishes to try, tending our two youth gardens, and free choice time to partake in games, arts and crafts, and more. We currently offer spring, summer, and fall programs.

For current program schedules and registration, please visit our website: www.WLFarm.org

Adult Programs

Educational workshops for teens and adults are a great way to learn practical skills related to healthy living, small-scale agriculture, and the wonders of nature. Programs feature subjects such as food preservation and healthy cooking using local and seasonal foods, foraging, gardening, backyard farm animal and beneficial insect care, herbalism, yoga, astronomy, and more.

For more information or to sign up for our programs, please visit our website at: www.WLFarm.org
