

Per Diem Educator Job Description FALL 2019

[Wright-Locke Farm Conservancy, Inc.](#) in Winchester, MA is seeking Per Diem Educators to assist with our Fall Youth Programs. Per Diem Educators will lead lessons and activities for small groups of children, ages 3-10 depending on the program. All activities take place on Wright-Locke Farm. Educators should have experience in the field of outdoor/nature-based education and, ideally, some familiarity with farm operations.

Per Diem Educator's responsibilities include:

- Provide high-quality educational experiences on the farm through the facilitation of our youth programs such as school field trips, after-school programs, or other youth education programs
- Set up and clean up before and after each program
- Ensure the health and safety of all program participants
- Assist other education staff in the above duties
- Collaborate with the Youth Programs Manager, Director of Education, and other staff as needed to plan and implement programs

All educators must pass a CORI/SORI background check.

Compensation: \$14/hr
