[Event Internship at WLF](#)

You may have gotten to meet Sam Parker this season. She interned with the Farm to help us with events management. It was such a pleasure to have her on the team this year. She just finished up her 10 weeks with us and wrote a bit about her experience here on the Farm.

Luckily, we don't have to say goodbye just yet as Sam will be helping out in the Farm Stand for the remainder of the Summer!

U-Pick Raspberry Coordinators Needed

Summer Stargazing at the Farm

[Stargazing with Joshua Roth](#)

Friday, August 9th from 8-9:30pm.

The summer sky offers ghostly nebulas, glittering clusters, and delightful double stars - all of which can be seen in suburban skies, if you know where to look!

Knowing where to look means knowing the constellations, first and foremost, so we'll begin our evening with summer's best. We'll explore the first-quarter moon and celebrate the 50th anniversary of that "giant leap for mankind." And we'll take advantage of the solar system's most grandiose giants, Jupiter and Saturn, lurking above the southern horizon. Appropriate for adults and children ages 9 and older (accompanied by an adult). *Cost:*

It's tradition at Wright-Locke Farm to open up our raspberry fields to the public each fall for U-pick Raspberries. This is a whirlwind season and we need individuals (or small teams) to help from August - early October to help set up the berry operations and recruit, train, and schedule volunteer "U-Pick Gurus" for days the fields are open.

You will work closely with our Community Engagement Manager.

Time commitments range from 2-6 hours a week, depending on how many volunteer. Coordinators should be 18+ and be ready to commit for the fall season.

If interested in volunteering, please E-mail Kim at kkneeland@wlfarm.org

Farm Stand Highlight

Codman Community Farms Chicken

We are really proud to be partnering with Codman Community Farms and Pete and Jen's Backyard Birds to offer the best pasture raised chicken around. Pete and Jen began their first small flock of chickens in 2003 and over the years expanded due to the growing interest in clean, tasty and humanely raised meats and eggs. In 2016, they relocated their farm to Lincoln where they now manage Codman Community Farms.

Their goal is growing happy, healthy, and tasty animals for the local community while respecting the land and their wonderful animals. Come by the Farm Stand to pick up various cuts of chicken or their delicious pasture-raised eggs. Chicken of this quality is very hard to find, even in stores like Whole Foods, you really have to go local to find truly pasture-raised birds.

Hours this Week:

Tuesday - Friday 10 - 6
Saturday 10 - 2
Sunday 12 - 4

You can reach our Farm Stand Manager for questions and suggestions at farmstand@wlfarm.org. We're excited to welcome you back to the Farm Stand this year as we continue to develop this great little destination on the Farm.

Support your Farm

A beautiful shot of the Farm by our beloved Suzu Yae who visited from Japan last week. So many of our best photos have been taken by her over the years. We are so thankful for all of her time and dedication to the farm and our community!

Don't forget, you can also support Wright-Locke when you shop online with Amazon Smile - they'll donate 0.5% of your purchase to the Farm. Just make sure to access amazon through <https://smile.amazon.com/> and designate "Wright-Locke Farm Conservancy LLC" as your nonprofit pick to make your purchases count towards proceeds for the farm.
