

Celebrate the Harvest Season and Local Farms with a Special Meet-the-Farmers Supper this Sunday!

Grab your friends, buy your tickets, and meet us in the 1827 Barn for supper this Sunday, September 8th. We're celebrating local food & local farms while feasting on the late Summer harvest.

This supper concludes our Tour-de-Farms Bike Ride, but tickets are open to all. It will be a special chance to meet some of the most important growers in the area! Think LexFarm, Codman Farm, Clark Farm, Gaining Ground, and of course Wright-Locke!

\$60 per person includes a family-style three-course meal prepared by Essex Catering, featuring local farm ingredients.

Farm Stand

Guess who's back!?

You may remember this face from last Fall... we're happy to welcome back Miles Syswerda as our Farm Stand Assistant. Say "Hi" the next time you're up at the Farm.

Locally Sourced Kimchi

Just in! [Pigeon Cove Ferments](#)! Kimchi. This stuff is delicious and hard to come by (they sell out really quickly so we're lucky to have gotten a case!)

Grab some of this spicy, fermented goodness to add flavor to sandwiches, rice bowls, stir-frys, or just as a side! Not only is it tasty, but it's great for that microbiome - think of all that good gut bacteria!

Berry Status:

Not quite, but soon! We are just getting the first ripe berries, but not enough to open the fields just yet. With any luck, we'll open next week for U-pick. Stay tuned!

For now, we're still gathering volunteers for our U-Pick Raspberry team. Let us know if your interested in volunteering this raspberry season as a "Guru" or on our U-pick Squad.

Climate Change at WLF through the Eyes of our Youth

Students in Wright-Locke Farm's summer program recently considered how things around them at the Farm are either impacted by climate change or illustrate ways in which the Farm is working to reduce the impacts of climate change and help Winchester to become more resilient to climate changes.

The students' work is currently on display in the library. Check it out the next time you're there.

'Tis the season for fresh organic veggies, fruits, and flowers. The fields are bursting with Summer produce.
